## **Facilitating Learning By Lucas And Corpuz Pdf Download**

Maria Rita D. Lucas, Brenda B. Corpus; 2014; Facilitating learning: a metacognitive process; Quezon. In this context, especially for children who use computer technologies, it is important to know how they affect the child's cognitive functions. This study focuses on the problem of computer learning and its impact on the development of thinking skills and cognitive functions through the use of computer devices such as electronic games, computer games and devices,
