Read *Annie on My Mind* by Nancy Garden for free on hype. A milestone in LGBT literature, this captivating tale of two teenage girls in love is. *Annie on My Mind* is the debut novel by an American writer that contains lesbian elements. This is a gripping story about two teenage teens who find out they are lesbians. The novel tells the story of Ann (voiced as "Ann" in her novel), her brother and sister, and a friend who is also a lesbian. The book begins with teenage girls, and Ann being a schoolgirl, riding in her father's car to visit his friend who lives with Ann's parents.
