Not only do they look better than yellow, but they show up brighter in photographs, in the mirror, and can add years to your appearance. Your dentist can whiten your teeth with treatments such as in-office bleaching, whitening toothpastes, or professionally-

applied bleaching gels.

BOTOX® Cosmetic Mature adults and teens can enjoy a younger, more refreshed appearance with **BOTOX® Cosmetic** injections. These minimally invasive treatments can instantly create a more attractive and refreshed face.

BOTOX® Cosmetic can correct both minor and severe facial lines and wrinkles for people of all ages. **Laser Resurfacing**

Laser skin resurfacing offers an

excellent, minimally invasive way to enhance your skin's appearance by smoothing and lightening the appearance of skin and fine lines. Many cosmetic clinics offer aggressive and aggressive skin resurfacing. While both aggressive and aggressive skin resurfacing can lift and tighten the skin, it differs in the level of treatment and length of recovery time.
