My review Review from Reviews 4.1 1,724 total 5 1,530 4 133 3 32 2 21 1 74 Liam Ryan It's ok for \$7. but a poor job at what it should do. It's only really effective at finding out which programs you have installed. Dan P Good idea but only works for Windows 7... Wish it worked for Windows 8 and Windows 10 Nick Rockwell it's ok. found a couple of things it doesn't appear to run. best feature is the restore point option which makes this a very good choice if you're a first time user. Brian Neville I just downloaded it and tried it and it didn't work. Mark M I tried out the free version of this program and it worked fairly well. It didn't show me every application installed on my computer but it found most of them. User reviews Liam Ryan September 14, 2014 It's ok for \$7. but a poor job at what 1d6a3396d6
