Jun 27, 2018 Steam Workshop: Left 4 Dead 2. A: There is no short answer to your question. For starters, each individual map has a specific set of weapons as inventory items (classic L4D2 weapons, equipment and loadouts). You can also find shotgun and mini car load-outs through the map construction kit for each stage. On top of that, L4D2 is not only a co-op game. There are opportunities to fight against AI controlled zombies using each map's zombies. (Refer to this wiki for map details). The best resource for information about Left 4 Dead 2 weapons and loadouts is here. The present disclosure relates generally to medical devices and, more particularly, to intravascular devices for infusion of therapeutic fluids. There are a number of contexts in which a medical device is used to infuse a fluid into a lumen of a patient. One example is that of intravenous feeding of a patient. An intravenous (IV) catheter may be used to introduce a fluid from a container into a vessel of the patient. In other contexts, a catheter may be used to withdraw a fluid from a vessel of a patient. Such catheters may be used to withdraw blood or other bodily fluids. Such catheters may also be used to infuse blood, other bodily fluids, or other materials
