The lands between this fantasy world and our own are home to a race of people that can live both in this world and the other, and their struggle has created a kingdom called the Elden Ring. Although they are bound in this world by many secrets and bonds, they preserve the ancient art of magic and their power and technology have advanced further than ever. The ancient kingdom of Viscaria ended when the Elden Ring invaded and created the Auremar Empire. As a result, the Auremar Empire rose, and Viscaria and its people were scattered across the Lands Between. This is a story of the return of Viscaria and the growth of the Elden Ring, told through the eyes of the hero characters Tarnish and Astal on the journey to the ruins of the ancient kingdom of Viscaria. With Astal and Tarnish, cross the Lands Between to change the fate of the Elden Ring and be healed in return. ■ Four Colorful Characters, Unique Skills & the Visual Style of Ojiri - The Developer of the World The Story of the Elden Ring The story of Viscaria from a historic tale in this world is moving. It is a tale from four characters who do not know each other but are bound by fate. When the beautiful Princess Cathym was selected as the crown princess of Viscaria, she was extremely happy. She had longed for this moment her entire life, and now she must fulfill her dream as a future ruler. However, the Kingdom of Viscaria was swallowed by the Auremar Empire. The beautiful land had been destroyed, and the lives of its people had become hell. Thus, the story of the Elden Ring begins where Viscaria had once been. The Elden Ring: Take charge of the Elden Ring by saving the people of the Elden Ring and take a step into the next life as an Elden Lord. Travel in World There: Lead the heroes Tarnish and Astal, who were never far from each other, on their journey to Viscaria. Viscaria: Taking charge of Viscaria, build a land full of hopes and dreams for the people of the Elden Ring to live. Travel in World Here: Who will you ally with from among the heroes in the Elden Ring and the people of Viscaria, and ally with the enemy?! ■ Beautiful Game World Designed to Be Played at Full Screen The

Features Key:

Bravely Attack the Darkness Introducing a revamped enemy level system; You can still gain EXP while exploring the Darkness on your own, but the strength of the enemies in the Darkness will greatly increase, requiring you to be cautious.

The Darkness is an aspect of your world. Fight for power and knowledge in a world where Dark and Light clash in the Lands Between. Darkness will not be dispensed freely to anyone; the moon imbued in your armor gains strength as it approaches the full moon, while the environment of the Lands Between gradually approaches the extremes of darkness. Darkness gives you unique opportunities to strengthen the limits and power within your body.

Rise to a Higher Stature Build up power through quests, and use your increased stamina to assault the world around you. You will also acquire new weapons, armor, and gain skill enhancements as you rise in Stature, adding even greater strength and stamina to your deeds.

Story Dividing into Three Sceneries. Elden World 1: Sides: The Story of the Afflicted. The time when the Faith of the Afflicted ruled the land of Aldwyn and those who were bound to sin were cursed by the gods. However, a civil war brought about by the cold war in the judiciary and the uprising of the Red Dragon Army, and the End of Days led to the rise of an evil Ayanokōnin. Even if the Afflicted lifted their curse and the Red Dragon Army were destroyed, the power of the gods would not be used to restore the life of the city and the human race. Elden World 2: Sides: The Story of the Tarnished.

The war against the Red Dragon Army was over, but life was tough in the years since the End of Days. Life was unstable, and the servants who had performed the rites of the gods were suffering from mental illness. Elden World 3: Sides: The Story of the Afflicted. The land of Aldwyn is ruined. A young man named Tarn and his companions search for their homeland, but they have been turned away from everywhere and are living a life where no one recognizes them as they now live in the Lost Land. Just as their adventures are about to unfold, they are separated and Tarn is summoned to a great war. "The Afflicted?" This world, where life is lost forever? What is the purpose of life? The ultimate war between the "Afflicted" and the "Red Dragon Army" is about to begin! • STORY The birth of a legend For more than a century since the End of Days, humans have lived in the cities and the nation of Aldwyn. The people of Aldwyn no longer do their prayers for the gods, but they curse the Afflicted who are bound to sin and are living in the no-man's land. The followers of the Afflicted are no longer allowed to live among humans, and then the land of Aldwyn is destroyed. The common folks think that they have been blessed by the gods and protect the cities and the nation. However, it is not that simple. The workers who have killed innocent people are placed in charge of the people of Aldwyn
