Elden Ring 2022 [New]

DASH The centerpiece of the game is the character customization menu, where you can freely combine the weapons, armor, and magic that you equip. You can improve your character's strength and magic, and wear armor that can protect you from various dangers. • An Item Base Equip items in the base menu to improve your stats. For example, you can improve your strength by equipping a Strength Pot. Or you can improve your vitality by equipping a Vitality Pot. To improve your strength, you can also use Strength Flows to strengthen your strength temporarily and gradually increase your strength. • Characters with strong stat growth rates can use high-cost Strength Flows to strongly improve their strength. • When buying a new character, you can select "Heart of Gold", "Heart of Steel" or "Heart of Iron" as the characteristics of your character. You can understand your character's intentions by observing the timing of your character's actions. The more you play the game, the better you get at communicating with your character. Your characters are accompanied by a cute, talking dog! • Open World The entire game world is open to you. Discover the environments and areas. Explore all that the world has to offer and interact with the people in those areas. • Environmental Effects There are various effects in the world. When you successfully attack enemies with your sword, they will catch fire or explode into flames, resulting in dangerous situations. The world will also show various events and situations, such as harvests, or deep scary dungeons. • Monsters You will encounter various types of monsters. Your weapon will have to decide whether to attack with your sword or magic. Monsters can be divided into three categories: Bug, Animal, or Spirit Monsters. You can solve these mysteries and defend yourself from danger by attacking the monsters. • "Dolls" You can also cast "Dolls" by touching the game screen. You can touch a doll, and it will do what you commanded. For example, you can use a doll to help a party member or call a doll to attack an enemy. • Monsters that are particularly difficult to defeat with a single hit include Dinosaurs and Devils. Monsters that are difficult to defeat with normal weapons can be easily defeated by using a "Doll". • More Easy to Clear Area You can easily clear areas with many monsters. You can also take on other players and fight in the same map. • In the world of the game, you
