Product Description Why this product? Eastrookie a.k.a. Dooney is the legendary 'Funky Town Groovebox'. He is everything that is fun, funky and groovy! Huge fave of all indie and 'alternative' kids and kids at heart. Eastrookie has been working on his new album for over a year and the noises coming from Eastrookie's workshop are (unsurprisingly?) sounding seriously funky! He has been joined by some really cool, experimental and fun up and coming artists: A2B, Shyl

Download Elden Ring Crack Activator [32|64bit]

Install the game using the Crack & Install option under the Crack Directory list in the main window Install the game again normally Play the game and enjoy! If you have any questions or comments about how to install the game and the cracks, please contact us at support@lafantasy.com. Crack / Patch Notes 1.2.1

1. Optimized the overall system to improve the game's overall performance and stability.
2. Implemented the System Crash Fix (With C-Patch)
3. Corrected the issue that caused the matter distribution during world-wide fighting to be inconsistent.
4. Optimized the Battle Area (MAP). The ratio of field space, melee distance, and group traveling distance should be closer to 1 to 1.
5. Optimized the number of battles fought in succession and the battle count when the battle progresses until the battle.
6. Optimized the Blue Portal's interaction that occurs with the world-wide event.
7. Optimized the interaction timing and the number of times the world-wide event occurs.
8. Optimized the interface to improve the user's response speed.
9. Optimized the amount of systems that communicate with another system to reduce loading and process.
10. Optimized the appearance of the conversation system when two or more people chat.
11. Optimized the appearance of the conversation system when one person chats.
12. Corrected the game's music streamer bug.
13. Fixed the sound that plays when a character dies.
14. Corrected the issue that reduced the distance when switching 3D mode to the previous view.
15. Improved the credibility of the conversation system when it is used while some other system is communicating.
16. Optimized the changes in the available data and actions.
17. Corrected the distance that is acquired at a later stage after the completion of the square-shaped enemy area.
18. Corrected the issue that caused the achievement of the Unknown Special to be triggered at an increased chance.
19. Adjusted the emphasis of the experience and the drop rate of items, magic, and monsters to give a more flexible experience.
20. Increased the drop rates of some high-ranking items.
21. Adjusted the enemy that dropped items to increase the drop rates of items and increase the feeling of a great

How To Crack:

Download the patch from the site below.
Extract the full patch through WinRAR to anywhere you want
Patch the files at the folder "Elden Ring 2" to the patch data. Replace the files
Download or create the crack file and the crack data at the folder "Elden Ring 2"

Dear Installer! i made this guide easy for you.
I strongly recommend installing WinRAR.
That's why your new admin password is "All inclusive" and the only save file is C:\Elden-Ring-2-Pathoria.exe

Download Patch From Below and Extract

Before this patch if required reboot the system!
After this patch if required reboot the system!

Navigate to the extracted folder and replace the original files and replace the folder "Elden Ring 2" with the path

Before being cracked! Do not use any anti-virus...
