

A Fantasy Action Role Playing Game. Play as a Tarnished Lord, or a Tarnished Level 40+ Elf (Races, Classes, and Expanded Spells). An Epic Action-RPG with Endless Monsters, Dungeon Delving and Boss Battles. Rise, Level Up and Build Skill Trees to increase your combat ability. Equip your Hero with a Variety of Weapons and Armor, and Spar with Monsters in your Dungeon. A Living World Re-entering Unconquered Regions with Monster Troops. New Monster Troops are being added continuously. A Massively Farcical Experience. More than 30 Million Players in the Wild! - Game Features - - A Vast World Full of Excitement - Re-enter the Unconquered Lands to Experience a Living World in a Deep Dungeon. The World Updates Are Constant and Add Chaotic Monsters, and a New Dungeon is added every 2-3 Days. Level Cap+ is to be Ordered from the Game Master. - Create Your Own Character - Each character can be developed according to play style. The player can freely control their appearance, and directly Equip their Heroes with different Weapons and Armor. Characters that are developed to the utmost can become an Elden Lord. - A Multilayered Story Told in Fragments - A story involving a Castle, a Rock, and a Wizardly Cottage. An epic drama in which the various thoughts of the characters intersect in the Lands Between. - Unique Online Play that Loosely Connects You to Others - In addition to the multiplayer mode, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. - Myths and Collecting Items - Each character can progress on their own, and players can freely collect the items that they want. You can also Collect items that are scattered throughout the Lands Between. - A Play Style That Allows You to Make Decisions - The Player can decide their fate and character advancement by strategically battling and collecting. The development of the character will depend on the accumulated experience points. - And More! - Other Quality of Life improvements such as a rich item find function are being prepared for the future. MOST MEMORABLE GAMES: Halo: Reach Age of Empires: Age

Elden Ring Features Key:

The Magic Implemented as a Tool that Gives the Player a New Way of Thinking

The Unity of Sword and Spirit Players can choose from four classes and combine more than 30 job abilities to forge their own playstyle. A sword is the basic unit, and the magic "tool" to use against monsters. This tool is very important as it allows the player to "improve" themselves.

Intriguing Three-Dimensional Dungeons The dungeons in Revenant are designed for infiltration, and you will even have to put stealth to use. Since a dungeon is made up of many rooms, places where you can save your stats in order to recover if you die await you. This makes every dungeon unique, and no two players will meet the same challenge with the same method.

Volumes of Story & Cutscenes Revenant will have 2 "story arcs," but a large part of the game content will be traditional choose-your-own-adventure episodes. The entire map can be freely explored, and each decision has an effect on how the story unfolds.

Beautifully Drawn General Graphics and Hidden Images

Small Floating Text and Calendar in Each Map

The Presentation of Ecchi Goods Next Level!

Game Features

- The Magic System An RPG-style system that begins with a basic sword and grows into a whole arsenal of more than 30 abilities.
 - Basic Sword: 1-2 passes: Simple attacks that deal small damage, plus random Evasion, Critical Strike Chance and Critical Severity.
 - Elven Shield: Unlock the ability to use magic by equipping weapons that have certain intrinsic abilities, which will become more useful in the future.
 - The Shield: Basic property is the basic ability of all shields.
 - Physical Armor: Physical property that blocks attacks for a certain period of time. Used against physical enemies.
 - Fortitude: Resist status effects and elemental damage.
 - Elbow Armor: The weapon's second property is "elbow armor," which deals heavy physical damage while boosting the deal percentage of elemental damage.
 - Stomach

Elden Ring (Latest)

- Trending Game on Steam - Unique blend of action and RPG - Fast and easy to learn - Fun, but difficult, game - Tarnished is the perfect game for a variety of people. It is perfect for people who want to relax after a long day, people who like to try a new game, and even people who want to laugh. - It is easy to play, even if you have not played a MMORPG before. You can easily start by choosing a "class" for your character, and the background story is fun. - The story is appropriate for all ages. Even adults can enjoy the story. - Players who are more advanced in the fields of game development are familiar with what this game is missing, and enjoy the idea of this game because it is new. - Players who have played the old fantasy world can experience the magic of this world for the first time. - Players who are satisfied with the fantasy action RPG genre should try Tarnished because it is refreshing and looks beautiful. - If you have enjoyed the fairy tale style of the past, Tarnished is an unforgettable experience. - If you want to play an immersive RPG that you have not played before, with a story you can believe in, and beautiful graphics, Tarnished is a good choice. - If you want to play a game that makes you laugh, Tarnished is perfect. - Although the system is similar to existing fantasy RPGs, the contrast is evident, and the gameplay feels unique. - It is very easy to see that the main developers of this game wanted to create a game that anyone could enjoy and appreciate. - This game is very easy to play. The game has a simple interface that allows the user to smoothly play. - It is very easy to get started and even difficult to use after several hours of playing. The interface is simple and logical. - Both players and creators can learn from each other through sharing techniques and opinions. It is a fun experience for all. [Official blog] Review game content. - In the game, there is a quest that commands the player to have the player all the way, but you can choose to see where to go from there, and what to explore. - In this quest, there are 60 different events that have a marked difference from the story. - In this quest, the story bff6bb2d33
