Elden Ring Features Key:

Character Creation allows you to create a strong Hero with a powerful personality and an original story,
Open World : Voyage and adventure in any order, letting you explore the lands freely
Diverse Environments : Develop your character by adding and removing attributes, at the same time taking advantage of a variety of environments (city, desert, mountains, and forests)
Class and Color Classification : Raise and evolve your own unique Hero class, regardless of the attributes you choose at the beginning, by developing various skills and cores.
Support System : The online, asynchronous online class system that connects you with other players in real-time. From complete classes that support multiple players and closely link you to others through to per-class classes that only support a group of friends,
Fantasy-style Realm War : Fighting against the monsters in the realms to decide the best is determined by your

battle strategy, and by the main Hero.
