Problem with support for ship, at first I found this game very unbalanced for me and was planning to give it two weeks but in the end I decided to cancel it and chose Steamworks as my preferred choice to play Settlers.. Quest of the amazons. The Settlers 3 is a strategy simulation that was first published by Microïds in 1998 and in 2001 it added a mission CD to the game package. In 2005 an upgraded version with many added features and improvements was available for the PlayStation 2, Xbox and Microsoft Windows. In 2007 a version for the PlayStation Portable (PSP) was released as a native port and the following year a version for the Nintendo Wii was developed and released. A completely remade version for the PlayStation 3 was released in 2008 and a 2010 version for the PlayStation Vita was developed by Human Head and was released in Europe under the title "The Settlers: Rise of an Empire" and in North America it was released under the title "The Settlers 7 Gold". It was first launched on April 21, 1998 in Europe by Microïds and they distributed it throughout the continent by regional partners. At this time it was published by the company Softbank GAMES. It was also released in Japan by ASCII corporation in 1999 in combination with another microïds published game named "Farming Sim" and was published by Koei in North America and by Sony Computer Entertainment in Europe in 2001 under the title "Settlers III: The Great Journey". The game took place during the 16th century and the story focuses around the construction and growth of one player's town. The development of the game started in early 1997 and the game released worldwide in March 1998. The game's publisher at that time was Microïds from France, where the game was developed and published by Softbank GAMES. In 2001 the game's title was changed to "The Settlers 3" by
