The world is divided into three parts: the Domain, the Kingdom, and the Lands Between. However, even in a single place, there are three worlds overlapping and conflicting each other: Magic, Technology, and Myth. These three worlds are being contested for the existence of their own world. The domain, the Kingdom, and the Lands Between are locked in a war that threatens their existence. Will you help other world conquerors take over this world, or will you help maintain the balance of the three worlds? In this story, you will be given the opportunity to establish your home in the Lands Between. In doing so, you will have to fight the various monsters and solve the numerous mysteries that the Lands Between contains. As a warrior in service to the land, you will be called upon to fight, explore, and quest for future developments. You will also have the opportunity to strengthen your character and enhance your gear by participating in the online rankings. * The game will be available in the App Store and Google Play Store on November 13, 2016 * Users who purchase the game will be added to the official Elden Ring Download With Full Crack website mailing list.
