On the one hand, the signing of the free trade agreement was a relief from critics who considered it a concession to the government's bid to secure the tariff-free Asia-Europe corridor. On the other hand, it was a victory for Philippine carmakers because of the extra demand it would bring for their fuel-efficient vehicles. (Read more:) TPL is likely to revise the terms and conditions of its proposed online games service, which includes a subscription-based online games service, and an annual fee of 50 euros. It has, however, offered the first subscription-based online games service in Europe - and the first to offer online games for mobile phones. Dubai aims to be the world's most attractive real-estate destination by 2050, and is hoping to attract about 70 million tourists a year, almost twice the number of visitors currently, over the next few decades.

Global travel and tourism experts have called for Dubai to establish an educational and intellectual hub in the United Arab Emirates (UAE). Thalassemia is a hereditary disease that does not allow blood to form. A new study says most people born with the condition are able to work, and it says that the best way to treat the condition is with a bone marrow transplant, which can be performed when children are aged two to four years old. I.C.R. World is among the top 10 travel management software providers in India. Started in 2008, I.C.R. World has been growing rapidly in the past few years. The company is among the pioneers in the travel management software industry and is trying to dominate its space. The education sector has a plethora of challenges, especially in the development of a skilled workforce and the effective delivery of teaching. In fact, a recent report showed that an estimated 0.45 million jobs will be created in the UAE's education sector over the next decade. Although the UAE Government spends an average of Dh62 billion a year on social services, including health, education, and social protection, 41% of households still find it difficult to afford healthy food and basic necessities, despite government efforts to subsidize local food and basic products. The UAE Government has set a goal to ensure each community has access

to the same quality of health services, while minimising cost and maximising efficiency. The plans for the region will revolve around planning and political strategy, communication and education, as well as healthcare. Jebel Ali is a summer playground

Lets say I have this SQL query: SELECT t.id FROM Table t WHERE t.date = :value I do not have access to table attributes directly. Instead I have them in a service that provides data via

rest. The service looks like this:

```
class TableService { @Autowired private EntityManager entityManager; public List<Table> findTablesForDate(int date) { JPAQuery<Table> jpaQuery = entityManager.getCurrentSession().createQuery("SELECT t.id FROM Table t WHERE t.date = :date"); jpaQuery.setParameter("date", date); return jpaQuery.getResultList(); } }
```

And I want to reuse this query in a rest controller:

```
@RequestMapping("/calculations/{date}") @ResponseBody public List<Table> processTable(@PathVariable("date") int date) {
```
