A mathematical model of normal human skin surface is proposed and compared with that of the pore flow theory. When a hair follicle is at a depth beyond the last folding of the skin surface, the growth of the follicle occurs by coiling of successive folds. The first fold of the skin surface acts as a surfactant layer and prevents hair follicles from growing in or out of this fold. Hair follicles longer than about 100 microm are confined at least above the first fold of the skin surface, and only hair follicles located at a

Sorted by date Published Is a holiday the idea? The area of Teesside, where we are located is renowned for its miles of beaches, cromlechs, churches, and the historic towns of Middlesbrough and Whitby. But, it is not just an idyllic place - it is a fast-growing town that has urban buzz, with fantastic shopping and nightlife. Get away from the crowds and discover what Teesside is really like - there's something for everyone... BEST NEIGHBOUR'S We share the centre of Stockton-on-Tees with some of the best colleges in the area, such as St. Peter's, St. Aidan's, St. Francis Xavier and Teesside University. The teams are made up of people from a wide range of different backgrounds and cultures, which is very important to make sure that everyone feels at home. We encourage staff and students to take part in activities together, to share ideas and views on anything from coursework to local news. Teesside is a beautiful place, with great restaurants, pubs and cafes, cinemas, theatres, museums and art galleries. There are football grounds, nightclubs and even theme parks - so there's something for everyone! And, as the centre of the whole area, it's a really good place to live. Our tutors are experienced, supportive teachers who specialise in teaching English as a foreign language (EFL). If
