

[Download](#)

just go to the download page of the website and find the link of the movie which you want to download. click on the link and a pop-up will open. now select the video quality from the listed options. here you can select any of the available video qualities such as 720p, 1080p, 720k, 1080k etc. once you have selected the video quality, click on the download link. the file will start downloading. the process is very simple and you can finish downloading your movies within few seconds. the movie links of the website are in high quality. so you can watch your movies in hd. you can also download music from the website. it has a vast library of music. if you are a music lover, then you will love this. sharvari plays the new bunty in the comedy and siddhant chaturvedi plays the old bunty! this is the first time that sharvari and siddhant are pairing up on the big screen and the actor reveals, "it is not that i have been a fan of rani for a long time, but she has just matured as an actress and i have grown up watching her work. i look up to her for her work ethic, confidence and professionalism. she has always been a source of strength to me." rani mukerji and saif ali khan, who are playing the parents of the new bunty and babli, respectively, will also be playing very different characters from their real life! "this is a fresh departure for us and it is a delight to be working with rani mukerji and saif ali khan," says varun sharma, who directed gully boy fame dangal for which he won the national award for best direction. "it will be fun to see their chemistry on screen together. it will be interesting to watch their characters in a family film."
