in the summer of 2005 i retired from the university of north carolina at asheville to dedicate my time to writing, which i have done since. my first published work was a collection of poetry, "memories of the good old days." i have written short stories, nature poetry, and children's stories. i have published poetry in several anthologies. i have written articles for magazines and newspapers. the majority of my writing is for publication in magazines and anthologies. i have been a member of the north carolina writers' network since 2003. since the publication of "cooperative learning", i have been asked to lecture at universities, community colleges, and retirement homes. i am the author of a collection of poetry, "memories of the good old days". i am the author of "cooperative learning", "cooperative learning with adults", and "cooperative learning in the classroom". my book entitled "cooperative learning for general education" will be released in 2009. i

have also published a number of articles in “the sandhills guide”. i have taught “cooperative learning” for the past four years. my students have been taught college courses, english as a second language, and college general education courses. my students have gone on to succeed in college, some even as the first in their family to attend college. as a recent graduate of the university of north carolina at asheville, i began as an adult student in the cooperative learning class. i found my love for learning through this class. i found that i loved to be a student and i have been a student for the past six years. i have written a book on cooperative learning which can be purchased through amazon. i have received my diploma and am now pursuing my m.ed degree at clayton state university.
