SpeedRunners is a 4-player competitive platform game with hooks, power-ups and interactive environments. Run, jump, swing, launch rockets, grab the hook and climb walls. As in other games of this type, there is a system of ranks, rewards and achievements. However, in SpeedRunners it is implemented differently. Speed is everything here, so the faster you complete the level, the more points you earn. As a result, the more players in the team, the higher the reward. 0946cee1be
