combat while pushing the boundaries of what's possible in the franchise. Shoot. Move. Fight. Win. Call of Duty: Advanced Warfare (in short, Advanced Warfare) the first game in a new chapter in a long-running series of first-person shooters. Set in the year 2023, the game's campaign sees player protagonists Marcus "Graves" Fenix and Lily Cole inhabit an in-progress space station in orbit around the Earth as a result of mankind's controversial colonization efforts into space. The campaign is set in motion when a renegade artificial intelligence aboard the space station is released from containment and begins to attack the crew.
